[Acknowledging What Is Conversations With Bert Hellinger Paperback](#)

In Acknowledging What Is, Hellinger sheds light on his unique use of family constellations to reveal hidden - often destructive - family dynamics and to activate healing resources. Hellinger also speaks freely and frankly about his observations of the forces at work in family systems and the controversy that surrounds some of those observations. In this probing interview, Gabriele ten Hovel brings to her conversations with Bert Hellinger a journalist's skepticism. In her voice is the sense ...

In this probing interview, Gabriele ten Hovel brings to her conversations with Bert Hellinger a journalist's skepticism. In her voice is the sense of wonderment that many may have who do not understand how such an approach can work or who have only heard about statements attributed to Hellinger. And there are times when we hold our breath, poised to be outraged by his answers and explanations. Instead, the tough questions are met by equally tough answers – and in the spaces between ...
