Jack Howards plays a great role in the Atlantis, one of David Gibbins early books.

The latest of the Jack Howard series. I have to say that this book is one of my all time favorites, partially due to all the history presented in it and also due to how the author revisited some of the themes and such presented in "Atlantis" as well as in "The Tiger Warrior." Overall, I had really been anticipating the arrival of this book and I was pleased with it.

The fantasy series Atlantis was a fun ride, but the BBC pulled the plug a few weeks ago — and star Jack Donnelly is understandably destroyed over it.. Donnelly, who played Jason on the short-lived project, chatted with Digital Spy about the cancellation and said he was "gutted" by the BBC's decision to cancel the series during its second season.
