Rap/Hip-Hop. Hip-Hop music, or to use the more popular marketing term, Rap music, was the most popular, influential, and controversial form of black and Latino urban popular music throughout the 1980s and 1990s. It emerged in the early to mid-1970s in the Bronx, though in later years, distinctive East Coast and West Coast styles would emerge and clash, sometimes with fatal results for its performers. Rap and Hip-Hop culture entered mainstream America's collective consciousness as a novelty ...

Rap is the musical practice of hip hop culture that features vocalists, or MCs, reciting lyrics over an instrumental beat that emerged out of the political and economic transformations of New York City after the 1960s. Black and Latinx youth, many of them Caribbean immigrants, created this new cultural form in response to racism, poverty, urban renewal, deindustrialization, and inner-city ...

Although widely considered a synonym for rap music, the term hip-hop refers to a complex culture comprising four elements: deejaying, or "turntabling"; rapping, also known as "MCing" or "rhyming"; graffiti painting, also known as "graf" or "writing"; and "B-boying," which encompasses hip-hop dance, style, and attitude, along with the sort of virile body language that philosopher Cornel West described as "postural semantics." (A fifth element, "knowledge of self ...

Hip hop culture has had extensive coverage in the media, especially in relation to television; there have been a number of television shows devoted to or about hip hop. For a long time, BET was the only television channel likely to play much hip hop, but in recent years the mainstream channels VH1 and MTV have added a significant amount of hip hop to their play list. Run DMC became the first ...

LGBTQ representations in hip hop music have been historically low. Hip hop has long been portrayed as one of the least LGBTQ-friendly genres of music (along with heavy metal and country music) with a significant body of hip hop music containing homophobic views and anti-gay lyrics. Attitudes towards homosexuality in hip hop culture have historically been negative.

Hip-hop is a culture born from the ashes of disco and the development of funk. During the early 70s, many funk groups began playing disco because at the time it was the latest trend. Drawing from disco production techniques, funk music started to become technology driven as it absorbed more electronic sounds from synthesizers and drum machines. By the mid-70s, funk became the new dance music ...
