[Jack Finney – Wikipedia](#)

Time and Again is a 1970 illustrated novel by American writer Jack Finney. The many illustrations in the book are real, though, as explained in an endnote, not all are from 1882, the year in which the main action of the book takes place. A sequel, From Time to Time (1995), was published during the final year of the author's life. The book left room for a third novel, apparently never written.

Spielberg's version was first broadcast on 20 March 1987. In 1995, twenty-five years after Time and Again, Finney published a sequel called From Time to Time featuring the further adventures of Morley, this time centering on Manhattan in 1912. Finney died at the age of 84 not long after finishing the book.

A lovely time travel novel, centered around 3 periods in New York. The oldest is set in the 1880's, the second and most important is just prior to WWI, the target period. The third is roughly the 1960's, the present time when it was first written, and from where it is driven.. It has some wonderful old photographs, which were in-depth researched from various library archives, and which give the settings for the two older periods. The novel moves at a slower pace as it delightfully and fairly ...
