

## FROM TIMID TO TIGER A TREATMENT MANUAL FOR PARENTING THE ANXIOUS CHILD

Mar 03, 2021

[From Timid To Tiger A Treatment Manual For Parenting The Anxious Child](#)

Organised into a 10-session parenting-based course, the book provides parents with simple cognitive behavioural techniques for helping their children to manage their worries and fears. The first manual designed specifically to help therapists take parents through a step-by-step approach to managing young anxious children The manual's empirical focus is highly effective in treating anxiety disorders in children under the age of 10 The provision of scripts throughout the book offer realistic ...

This book is an essential manual for mental health professionals who work with young anxious children and their parents. The authors have organised the book into a 10-session course for therapists to use with parents, and each chapter describes a single session of the programme. The course has been evaluated through use with children with a range of primary anxiety disorders, including separation anxiety, social anxiety, generalised anxiety, panic, agoraphobia, and specific ...
