[Ice Bird The Classic Story Of The First Single Handed Voyage To Antarctica](#)

ICE BIRD: The Classic Story of the First Single-handed Voyage to Antarctica chronicles the author's 1972 trip from Australia to Antarctica aboard the sailboat ICE BIRD. Along the way, David Lewis sank into unbelievable despair as his small boat lost its mast, and he suffered frostbite and broken ribs. Eventually, he lost the use of his radio and engine, and was forced to hand-steer the boat. Though it was summer in the Southern Hemisphere, it snowed daily. Lewis faced gale-force winds and ...

David Lewis and his 32 foot yacht, Ice Bird, set sail from Sydney, Australia in 1972 on a search for high adventure. The voyage, full of drama, emotion, and pain took place in the least hospitable and most fascinating part of the globe, the Antarctic, through some of the most treacherous waters in the world. Along the way he would touch land for more than fourteen weeks, facing mountainous seas, constant gales, storms, and freezing temperatures and he would be fighting for his life. Twice ...
