The book is detailed and tells the story much better than any news report could. Dr. Jerri Nielsen was a bit dissatisfied and uncertain about her life as an emergency room physician in Cleveland, Ohio and needed a change. She happened to glance at an ad for a doctor needed at the South Pole for one year and made the decision to apply.

The 'Incredible Battle for Survival' of the title seems a little over-hype to me. But, what I found very inspiring was the doctor's account of the closeness of her fellow 'polies' and their commitment to her. These (mainly non-medical types) friends on the ice supported her battle by learning how to assist her in tricky medical procedures while providing friendship and emotional support. I ...
