Much moved, I wandered outside. My attention was caught by a doggerel on an old tombstone: "Here lies a Hampshire Grenadier Who caught his death Drinking cold small beer. A good soldier is ne'er forgot Whether he dieth by musket Or by pot." Ominous warning—which I failed to heed. Twenty-two, and a veteran of foreign wars, I went home at last. I fancied myself a leader, for had not the ...

This is a very exuberant book, as children are asked whether they can move like one of the animals on the page. Probably not best for bedtime, but it is a joyous read, with lots of movement and participation. As always, the illustrations are perfect and it is great fun for toddlers. You can always trust Eric Carle to get some learning in alongside the story, so toddlers will learn the names of body parts while they are having fun.

Watching a movie after reading the book is a wonderful way to encourage students to think critically about how each medium presented roughly the same information. Here are some questions to ask: Think about the setting of the book. Did the setting in the movie look like you had imagined it? (Good ones for this are the Harry Potter series, Holes, The Chronicles of Narnia series, and Where
