[Car Repair - Maintenance and Repair Guide](#)

Despite the many statements I made in bold that the book was created to help car repair consumers find good honest mechanics and shops. I would think an honest garage would love this free auto repair guide, because it also discussed how to forge a long lasting relationship with the good car shops out there.

[Service Repair Manuals - Online PDF Download](#)

See, for a long time I was pushing online repair manuals from Alldata and Mitchell1. I made some money, and in all fairness, they have a great product. The online manuals gave excellent repair information, had the exploded views and wiring diagrams that I needed to fix my car plus kept me up to date on recalls and TSB information. Well something has shaken up the industry and it's this ...
