[Phenomenology In A New Key Between Analysis And History Essays In Honor Of Richard Cobb Stevens Contributions To Phenomenology](#)

It honors the writings of Richard Cobb-Stevens, whose work in phenomenological philosophy, analytic philosophy and the history of philosophy has served as model for generations of philosophers working between these three fields of research. The essays collected in this volume provide a unique window on the contemporary state of the art in phenomenological philosophy by leading scholars of international reputation from North America and Europe. Historical figures such as Aristotle and Hobbes ...
