[Premier Solutions International Reviews](#)

Its like humane abuse and working for someone who is over your head, too much micro managing. Very bad employer. I am a College graduate with Degree and have worked at other companies where the bosses were very approachable and professional. However, Premier Solutions owner is extremely rude, irate and has no appreciation for employees.

The warning showed a number to call (Premium Solutions) which I did and spoke with a representative who quickly said he could not correct the problem but would connect me with a technician who would fix it for \$199.99. Seeming to have no choice I agreed and allowed them access to my computer. They accepted payment in the form of an electronic check. The process took about two hours and my ...
