Nur soviel: Rhys, der Faery-King und Nickys Freundin Melinda rücken weiter in den Vordergrund und auch Chris, der im ersten Band ja nicht gerade die ...

Plot: 4 Stars Demon Princess had a very fresh take on demons. I liked that they weren't necessarily bad or evil like most books. The world-building was also top notch, and I hope we'll get to see more of it, like the faery realm, in the next book. Rowen also did a very good job weaving the supernatural adventure into Nikki's every day life that included school and dances.

This third edition of the Demon Princess just affirmed how much I adore Michelle Rowen. I cannot wait until the next book to see how it all turns out. Nikki is a demon princess who continues to grow and come into her own. The debate between Michael and Rhys rages on. I stand firm on the side of team Rhys, this book made me love him even more. I will admit that seeing Michael's jealous side ...

When I saw that "Demon Princess: Reign or Shine" by Michelle Rowen was available to read, I jumped on it instantly.
