Skarlet The Vampire Trinity 1 Thomas Emson

Thomas Emson is an extremely exciting author whom I happened to stubble upon at Waterstones and have to admit, I am in awe of the man. I picked up his book and thought I would give it a try and have to say, I couldn't put it down from page 1 through the end. I read it within two days because I couldn't stop.

I chose my rating because Thomas Emson never lets up or takes the easy way out. He keeps the story strong and shows the flaws in his characters and their strengths. I would recommend this book to all those fans of horror who like a modern twist on their vampire story.
