Okay so I fell in love with this series and Kay Manis when my sister raved about the first book in the series \*Skater Boy\* and I have to say I liked Geneva's story but did I love it no. I think the reason this one didn't grab me and keep me there was I couldn't get into the characters in this one like I have with the first four books, I mean I knew Geneva from the previous books and was really ...
