Welcome to the Desert of the Real. Indeed! In fact, most of the most salient points of this classic 1981 work of philosophy ARE delineated in the movie! One of the most telling points was when a certain piece of steak was getting cut and he was cutting a deal with the policemen of the Matrix, talking about how much BETTER the ...more. flag 31 likes · Like · see review. As the most popular review of this book shows clearly: this is not a novel for everyone. You cannot run a marathon if you didn't go through a proper training. Sitting on the couch all year round is not the necessary regimen. This book is very similar: it requires an intellectual gym, so to speak. Knowledge of Latin, history, and philosophy, a wide frame of civilisational reference, linguistic ...

In his philosophy of history and society culminated the efforts of a whole series of German writers—Lessing, Herder, Kant, Schiller, Goethe—to appreciate the nurturing influence of the great collective institutional products of humanity. For those who learned the lesson of this movement, it was henceforth impossible to conceive of institutions or of culture as artificial. It destroyed ...

Neopets is one of the few web games that was so popular that it fostered an entire community and culture. Sure, you've probably played all of the games on offer here, but on Neopets all of those games — like counting potatoes, or spinning a wheel that takes hours to stop or guessing the weight of a watermelon — contribute to something worthwhile: a digital pet of your own. Nowadays kids ...
