Peak by Dr. Marc Bubbs | Audiobook | Audible.com

I could not find out what those limits are, however, and in fact Amazon didn't even tell this user they were approaching the limit or had reached it. Instead, Amazon just locked the user out of their KU subscription. "I'd have to go back and check for an exact number but I'd agree, probably more than enough to flag my account for April but no excuse for not contacting me to check that ...
